CHARLES & KEITH

SONY®

Become a Certified Digital Marketing Strategist in 2 Months

ARE YOU A CAREER SEEKER, BUSINESS OWNER, OR A MARKETER?

Career Seeker

According to recruitment and talent platform Grit's Singapore Salary Report & Market Outlook for 2022/2023, more than half (**57%**) of **employers** in Singapore are looking to **fill digital marketing roles**.

Salaries for Digital Marketers range from **\$30,000** for entry level positions to **\$180,000** per annum for Head roles. – Sources: PayScale and Glassdoor.

However, the barrier to entry is difficult as employers demand a wide range of skill sets and a comprehensive portfolio that demonstrates experience.

Through this certification programme, you will gain first hand exposure to the industry through **real world project-based assignments**.

Become a Certified Digital Marketing Strategist in 2 Months

ARE YOU A CAREER SEEKER, BUSINESS OWNER, OR A MARKETER?

Business Owner

“You can’t manage what you don’t understand” is a catchphrase that cannot hold truer to entrepreneurs who have limited knowledge in digital marketing strategies and campaign implementation.

Hiring, managing, and retaining talent then becomes a cyclical challenge on top of struggling to understand digital marketing return on investment (ROI).

By completing the 7 essential digital marketing modules, you will:

- Obtain a clear birds eye view of how the various digital marketing channels integrate to generate ROI
- Be able to develop customised digital marketing strategies for your own business
- Be able to make better informed decisions on whether to outsource campaign implementation to digital marketing agencies, retain them in-house, or a mix of both.

Become a Certified Digital Marketing Strategist in 2 Months

ARE YOU A CAREER SEEKER, BUSINESS OWNER, OR A MARKETER?

Marketer

With technology rapidly advancing and industries undergoing critical digital transformation due in large part to COVID-19, the **digital skills gap is ever widening**.

Many marketers in the past decade have struggled to keep up with the ever changing digital marketing landscape until today.

This compact certification programme will:

- Enable you to transition from a traditional marketer to a digital marketer
- Allow you to better manage digital marketing campaigns through external agencies or in-house
- Equip you with the ability to prove your contributions to your company and advance your career in marketing.

Course Overview & Modules

Through this Certified Digital Marketing Strategist programme, you will be provided with ample opportunity to implement practice on **real world projects**.

If you are seeking a career in digital marketing, this will enable you to gain the experience employers look for. Additionally, you will be supported by **experienced mentors** who will guide you through the duration of your individual projects.

By completing the 7 digital marketing modules, you will further enhance your practical knowledge and skills application of digital marketing, equipping you with the ability to execute your campaigns D.I.Y. or manage a team.

This comprehensive programme will also add an essential set of industry-relevant **digital marketing skills** to your resume. These skills will enable you to make notable improvements to marketing conversions and return on investment.

Certification

Candidates who have demonstrated competency in the programme will attain WSQ Statement of Attainments (SOAs) awarded by SkillsFuture Singapore and the Certified Digital Marketing Strategist (CDMS) v2 certificate issued by Equinet Academy.

Course Fees & Fundings

Total course fees: S\$6,080.02 inclusive of 9% GST

Each of the 7 individual WSQ modules are eligible for up to 70% funding. Check your funding eligibility upon **course application**.

SkillsFuture Credits

Singapore Citizens above 25 with SkillsFuture Credits in their SkillsFuture Credit account may use it to offset any outstanding course fees for SkillsFuture approved courses.

You may login to <https://www.myskillsfuture.gov.sg/> to view your balance.

SkillsFuture Enterprise Credits (SFEC)*

For SSG-funded courses, companies can tap on the SFEC to subsidise up to 90% of out-of-pocket fees (i.e. nett course fees after funding, certification fees, assessment fees) for WSQ courses, capped at \$10,000 per company.

**Eligible for claim after course completion.*

Post-Secondary Education Account (PSEA)

Singaporean Citizens can use his/her PSEA funds to pay for approved fees and charges for WSQ programmes. The PSEA will be closed when the account holder turns 31. Any unused funds in the PSEA will be transferred to the account holder's CPF.

To check your PSEA account balance, dial the 24-hour automated Edusave/ PSEA hotline at [6260 0777](tel:62600777) and enter your NRIC number.

Absentee Payroll (AP)

Absentee Payroll (AP) funding is a grant to help employers defray the manpower costs incurred when they send their employees for certifiable skills training during working hours.

Trainee Testimonials

“I attended a few Digital Marketing classes under different institutions. Equinet Academy is my best learning partner in the field. The Certified Digital Marketing Strategist course agenda and contents were well thought through, with practical exercises for me to do during the class. Their trainers are approachable and willing to teach/guide, even after the classes.

They offer free refresher classes and workshops for their students too, ensuring their students are well equipped with the acquired skills to perform our work/profession well. I have benefited a lot from their training. I have applied the skills in my course of work better e.g. briefing my agencies on the media buy, SEO and using the Analytics to draw insights for our Digital advertising.”

Michelle Lee

Director of Marketing, Asia Pacific, Little Caesars Enterprises Inc.

Trainee Testimonials

“I have benefited very much from the training programme. In my previous company, I headed the multi-channel marketing function. Now armed with comprehensive digital marketing knowledge and skills (from planning to execution), I have great confidence in spearheading my company’s digital marketing efforts on platforms and including digital marketing related work/services as part of my company’s consultancy portfolio.

The trainers at the program are established industry experts, hence they were able to teach and guide the programme’s participants professionally. The support is great, with post-programme support on the materials and coaching. I highly recommended this programme for all marketers and business executives who want their careers and businesses to grow.”

Tan Mui Mui
Founder, Beulah House & Company Pte Ltd

Trainee Testimonials

“The course led by Equinet Academy was extremely well curated and provided in-depth analysis and comprehensive coverage to understanding the underlying mechanics of digital marketing. The course was broken down into digestible bits and supported with hands-on activities to help students gain deeper perspectives and practical knowledge of digital marketing and the likes.

The certification awarded helped me land a job where I was able to apply immediately what was taught and provide tangible results within my position. Would definitely recommend it for aspiring digital marketers or students looking at deepening their knowledge of digital marketing.”

Eric Wong

Project Management Executive, Atome

Frequently Asked Questions

Are there any pre-requisites or minimum entry requirements?

You are required to have basic computer navigational skills such as opening and closing, dragging and dropping, copying and pasting of files.

Some knowledge of sales and marketing concepts will be useful, although not a requirement.

If I have any questions after the course, can I consult the trainer?

Yes, you may contact your trainer after the course. There are other post-training support channels such as the Insider Community where you may network with like-minded individuals and industry experts and live Ask Me Anything sessions where you may seek advice from a subject matter expert.

Do I have to prepare anything before attending the course?

For in-person training, do bring along a laptop. You also have the option to loan a laptop from us for the duration of the course. You may also want to bring along a jacket in case the room gets cold.

For online classes, do ensure you have a functional laptop and have Zoom installed prior to class.
