

Ecommerce Strategy

Create. Build. Sell online.

Course Description

Ecommerce has become the best and easiest way to sell your products. With an ecommerce business, you can sell whenever and wherever you want, without worries of maintaining a brick-and-mortar store.

While many want to try their hands at running or managing an ecommerce business, it can be difficult to know where to start. In this course, you will be guided from start to finish on building an ecommerce business.

From deciding on a product catalogue to creating a digital marketing strategy, this 2-day course covers everything you need to know to run a successful ecommerce business.

Led by an expert trainer and success in ecommerce, you will be closely guided through the process, using a mix of both theory and practical exercises. Trainees will leave this course understanding how to conceptualise a business from scratch, identify target audiences, and develop a strong brand identity, among other critical elements.
