Course Description

Globally, there are over 1.44 billion active users monthly, surpassing China's entire population (estimated to be 1.40 billion). In Singapore alone, there are over 3.1 million Facebook users in 2017 and this is expected to reach 3.2 million in 2018, up from 2.8 million in 2015. – [Statista](#)

According to [Asiaone](#), Singaporeans are leading first place in terms of spending the longest time on Facebook, with a record average of 38 minutes and 46 seconds per session. Of this statistic, [Singaporean mums spend the most time on Facebook](#) than any other demographic group.

Understanding the local and international trends on Facebook translates to the need for brands to enhance their presence on this giant social network.

This 2-day intensive Facebook Advertising Core Competencies course will enable participants to develop a Facebook marketing strategy, launch compelling Facebook Advertising campaigns to drive leads/increase brand awareness, and review and optimise performance.

Through a mix of real world case studies, group work/discussions and hands-on implementation, participants will gain practical knowledge and develop confidence in creating and managing Facebook Advertising campaigns.

Objectives

This Facebook Marketing and Advertising course is designed to equip learners with practical knowledge and skills on developing a Facebook marketing strategy and executing Facebook advertising campaigns.

Facebook Strategy

By the end of the course, participants will:

- Be able to develop a Facebook marketing strategy and align it to the business objectives and KPIs
- Understand various Facebook Advertising objectives (brand awareness, lead generation, conversion) and its impact on the Ad Set and deliverables (Sponsored Newsfeed, Instagram, Audience Network)
- Be able to create a Facebook Advertising campaign, define Ad Set variables (bidding & budget, audience targeting, location), and design a Facebook ad creative (Video, Carousel, Single Image ads)
- Be able to set up a Facebook Pixel to measure, optimise, and build audiences for advertising campaigns
- Be able to create and define custom audiences, lookalike audiences, and build core audiences with the Facebook Audience Insights tool for better ad targeting

Instructor

John Tay

John is the co-founder and Managing Director of Secret Hideout, a creative marketing agency based in Singapore. He has worked with clients such as SBS Transit, SITEC, MRM McCann, and CISCO Security.

Through his career, John has also consulted and formulated the digital strategy for various startups/SMEs (small-medium businesses) such as FastFast, OFFEO, UClick2Buy, Codigo and many others. During this period, he led one startup to achieve over 450% increase in traffic and user base growth within a span of 6 months.

Before Secret Hideout, John was the regional Head of Digital in Gifts Less Ordinary, a luxury gifting business. He successfully increased the luxury gifting business's revenue by 15X through managing, executing, and optimizing digital campaigns across a suite of advertising platforms, particularly on Facebook. Notably, he maintained a profitable cost per customer acquisition as he scaled Gifts Less Ordinary's digital advertising spend on the Facebook platform to over 6 figures annually in multiple geographical locations across Asia Pacific and the Middle East.

John is passionate about all things digital and his track record of successful brand partnerships show his full commitment to helping both his clients and trainees achieve digital success in their online advertising campaigns.
