Course Overview

Set up a Performance Max campaign but unsure of what it actually does and why you're not getting the performance you wished for? Struggling with poor campaign performance with your media agencies?

Be equipped with solid fundamentals in running Google Ads campaigns in just 2 days with real-life examples and learnings shared by our seasoned trainers. Learners can expect to walk away with essential skills for success by following our trainers in the guided step-by-step setup of various Google Ads campaigns.

From understanding how the Google Ad auctions work, to generating leads and boosting sales, participants will gain practical skills and knowledge to start improving on their current results and avoid common mistakes when starting new campaigns.

Learners will also get a behind-the-scenes look at how Performance Max campaigns work and determine if their businesses are suited for leveraging this AI-driven campaign type.

In this 2-day comprehensive and hands-on Google Ads certification course, candidates will learn step by step how to develop a Google search and display advertising strategy and create campaigns that will effectively generate leads, sales, and web traffic.

Target Audience

This course is suitable for Business Owners, Heads of Marketing, Marketing Managers/Specialists/Executives, and Individuals who manage media agencies or in-house marketers seeking to understand how Google Ads works.

- 01. Business Owners:** Ideal for entrepreneurs who want to take control of their digital advertising and learn how to effectively use Google Ads to boost their business visibility and sales.
- 02. Heads of Marketing:** Tailored for senior marketing professionals looking to deepen their understanding of Google Ads to make more informed strategic decisions and lead their teams effectively.
- 03. Marketing Managers:** Perfect for those in managerial roles who are responsible for overseeing ad campaigns and wish to optimize their use of Google Ads for better ROI.
- 04. Marketing Specialists:** Designed for professionals focused on specific areas of marketing who want to expand their skill set to include Google Ads management and strategy.
- 05. Marketing Executives:** Geared towards marketing executives who manage day-to-day advertising tasks and want to enhance their expertise in running successful Google Ads campaigns.
- 06. Media Agency Managers:** It is beneficial for managers at media agencies who need to understand the intricacies of Google Ads to guide their clients effectively and deliver successful campaigns.
- 07. In-House Marketers:** It is ideal for those working within companies to manage internal marketing efforts, helping them better utilize Google Ads to achieve the company's marketing goals.

Course Highlights

Testimonials

”

Xuanbin’s Google Ads course was truly transformative! Over the two days, he provided clear, actionable insights that demystified the complexities of Google Ads. His teaching style is engaging, with a perfect balance between theory and hands-on practice.

Benny Neo,
Senior Manager, Regional Digital Marketing

”

My Return-on-Ad-Spend (ROAS) has increased by 40% since I’ve implemented the learnings from Xuanbin’s class, steadily increasing from 508% to 702% within 4 months. Before coming to Xuanbin’s class, I knew very little about what I was doing and left it mostly to guesswork.

Ben Foo
Founder, TheFirstFruits.com

”

The course has given me the depth of understanding on SEM and I am now more confident to navigate the google ad platform on my campaign. And this new knowledge will definitely help me to communicate better with my agency to improve on my search performance.

Alice Chng,
Starhub

”

The insights I’ve gained are immensely helpful, and I’m already seeing better results and increased confidence in managing my Google Ads campaigns. Despite having basic Google Ads knowledge and having SEO experience prior, I had many unanswered questions.

Natalia Lukito,
Digital Marketing Manager, PULSE Group

”

Before signing up, I have doubts if the course will be useful and whether I can learn new knowledge. After completing the course, I have no regrets in signing up. I am satisfied with the course conducted by trainer Xuan Bin and picked up useful skills that I believe I can apply in my work.

Maggie Mok,
JCS Biotech

Frequently Asked Questions

What is Google Ads and why is it important?

Google Ads, formerly known as Google AdWords, is a digital advertising platform for marketers to advertise on Google audience networks such as Google Search, YouTube, Google Display Network, Gmail, and mobile apps.

Do I need to have a business/personal website for the course?

No, you do not need to have a business or a personal website for this course, as you be running ad simulations for a dummy website. However, if you do have an existing website you would like to run ads for, you may simulate running ads for it during the hands-on practical sessions.

Are there any pre-requisites or minimum entry requirements?

Trainees should be proficient in web surfing and be able to write and converse in English.

Do I have to prepare anything before attending the course?

For in-person training, do bring along a laptop. You also have the option to loan a laptop from us for the duration of the course. You may also want to bring along a jacket in case the room gets cold.

For online classes, do ensure you have a functional laptop and have Zoom installed prior to class. For more details, you may read the [Online-based Classroom Learner Guide](#).

As there will be WSQ assessments conducted in this course, you are required to bring along your NRIC or any form of photo identification for ID verification purposes.
